PRESS ABOUT THE EXHIBITION:

Auto&Parts Uzbekistan is the only specialised automotive exhibition in Uzbekistan, which demonstrates the latest new products in the market, including auto parts and components, accessories, oils, auto chemicals and much more. This year was no exception, with the exhibitors at Auto&Parts Uzbekistan 2010 including a number of well-known manufacturers, both those already known in Uzbekistan and new entrants to the country's automotive market.

<http://www.uzdaily.uz>

The international exhibition Auto&Parts Uzbekistan 2010 presented everything necessary for the normal operation and servicing of cars: spares parts, components, oils, and equipment for car service points.

Narodnoe Slovo newspaper

The exhibition demonstrates the latest new products in the market, including cars, auto parts and service equipment. The exhibitors have the opportunity to conclude contracts, share experiences, expand business ties, study the competition and obtain the latest information about the automotive market.
