27th TASHKENT INTERNATIONAL HEALTHCARE EXHIBITION – TIHE 2023»

The **27th Tashkent International Healthcare Exhibition - TIHE 2023** is the flagship medical exhibition of Uzbekistan and the Central Asian region, traditionally opens up its exposition for professionals of healthcare industry from April 13 to 15 at the Uzexpocentre NEC.

The event is organised by **Iteca Exhibitions** International Exhibition Company and its partner **ICA Eurasia Group**.

TIHE is not only the country's leading medical exhibition, founded in 1995, but also one of the first exhibition events in the modern Uzbekistan. This is the only medical exhibition in Uzbekistan that has gained a status of the event approved by the World Association of the Exhibition Industry (UFI). It is a unique platform where experts of the medical community have the opportunity to get familiar with advanced medical technologies of the "last generation".

FACT AND FIGURES of TIHE 2023

In terms of the number of participants and exposition space, TIHE 2023 has surpassed the previous exhibition by 1.5 times. The exposition located in two central pavilions No. 1, 2, Atrium Hall 1, Congress Hall.
