POST SHOW REPORT

The Tashkent International Healthcare Exhibition TIHE – The Premier Medical Exhibition in Uzbekistan!

About the Exhibition

Every April, the welcoming city of Tashkent becomes the meeting point for leading professionals in healthcare and medicine at the Tashkent International Healthcare Exhibition – TIHE.

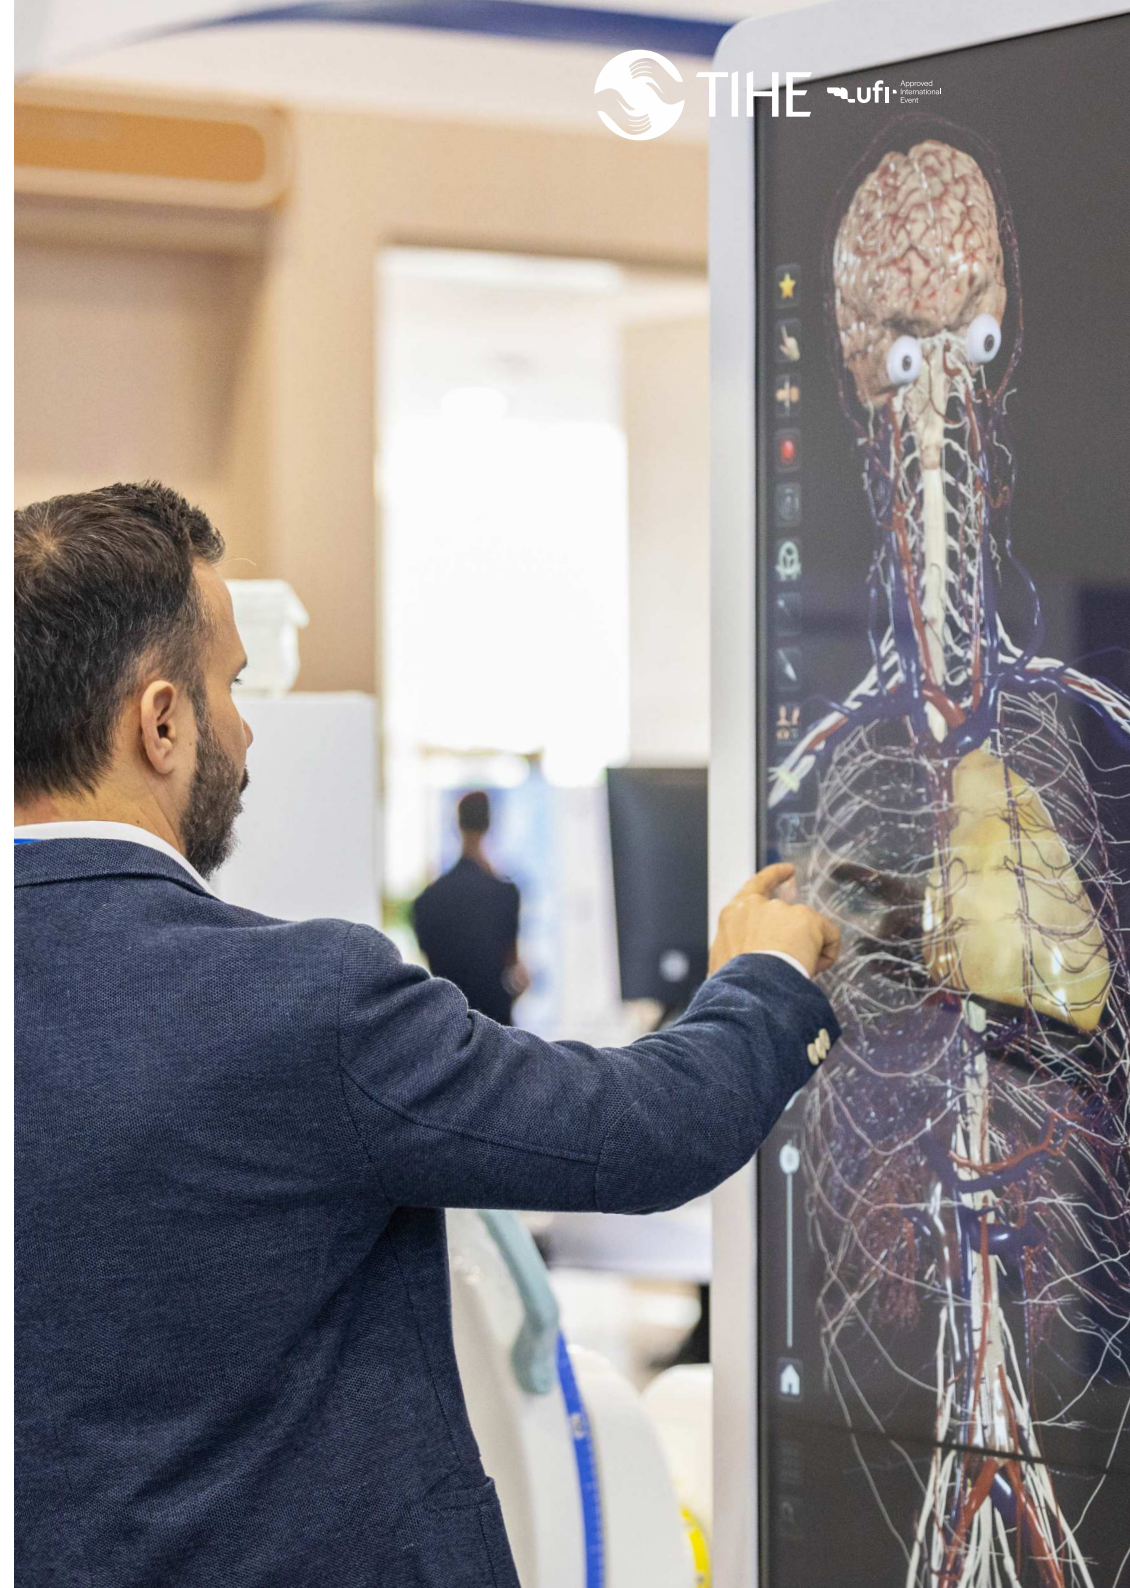

Established in 1995, TIHE is one of the pioneering exhibitions of modern Uzbekistan. **It remains the only medical exhibition in the country holding the official status of the UFI-approved event by the Global Association of the Exhibition Industry, as proof of its international quality and prestige.**

In Uzbekistan, healthcare is a national priority. The government continues to invest in modernizing the healthcare system — from public hospitals to private clinics — by upgrading infrastructure, introducing cutting-edge medical technologies, and advancing professional training.

TIHE plays a key role in this transformation. The exhibition showcases the latest in medical equipment and technology, hosts scientific-practical seminars, and offers a dynamic platform for knowledge exchange and innovation.

Whether you're looking to enter the Uzbek market, promote new products, or connect with industry leaders, TIHE is your gateway to one of Central Asia's most promising healthcare sectors.

Official support for the TIHE 2025 exhibition was provided by:

- Committee on Entrepreneurship, Development of Competition and Industry of the Oliy Majlis of the Republic of Uzbekistan
- Ministry of Health of the Republic of Uzbekistan
- Ministry of Investment, Industry and Trade of the Republic of Uzbekistan
- Chamber of Commerce and Industry of the Republic of Uzbekistan
- Centre for the Development of Professional Qualification of Medical Workers
- Republican Specialised Scientific and Practical Medical Centre for Dermatovenereology and Cosmetology under the Ministry of Health of the Republic of Uzbekistan
- Agency for the Development of the Pharmaceutical Industry of the Republic of Uzbekistan
- Association of Dentists of Uzbekistan
- Association of Representative Offices of Foreign Pharmaceutical Companies and Manufacturers in the Republic of Uzbekistan
